

## About us

by Azeez Warith - Saturday, May 14, 2016

<http://wapoint.com/about-us/>

Wapoint.com is an "online academic classes" providing academic and non-academic based knowledge to all sets of candidates.

Wapoint.com provides numerous topics and subjects in all sections of study (Science, Commerce and Art) to all wapoint.com visitors by our well trained tutors working tirelessly to provide accurate details on each topic and subject taken.

Wapoint.com tutors offer all Wapoint.com visitors (especially the [registered](#) candidates) to ask them any questions be it academically or non, in order to make learning and reading easier generally for everyone.

[Wapoint.com](#) hope will could satisfy our visitors and candidates. To get most and receive fast reply to your questions please [register](#).

Thank you.

See you in class.
