Waponpoint.com is an online academic classes, providing academic and non-academic based knowledge, where you can learn all various type of things.

Our main goal on [Waponpoint.com](http://Waponpoint.com) is to provide rich academic based content and educate as many people as will could with our talented and hardworking tutors.

What we provide:

As you already know, waponpoint.com is an " Online Academic Classes", hence we will provide noting less than academic based related knowledge.

We provide 90% of academic based content and 10% of personal stories of the members I.e candidates and our tutors.

On academic section, we make sure that we provide all the full article on each subject content.

What we are saying is that, on every each subject on Waponpoint.com, we provide full story of each content.

For example, [English language](#), if we post a content on English language, Noun as an example, We try as much as possible to provide everything about the topic "Noun", not only its definition and its meaning but everything about the topic "Noun" to how, why and when it is use in a sentence.

So if you are looking for an academic based website, your first choice should be Waponpoint.com.

During the academic session, candidates have the chance to ask any question during or after the session.

You can also ask our tutors your own personal questions and we will get back to you as soon as possible (ASAP).

You can ask you question by clicking on our page [Ask question](#) or you can use the [contact form](#) below.

We also provide [academic advice](#) to candidates.

So in summary, Waponpoint.com provides, mainly academic based knowledge contents and assistance.
